Information Circular – Proxy Statement dated May 23, 2017

For the Annual General and Special Meeting of Shareholders to be held on Wednesday, June 21, 2017

PROXIES

Solicitation of Proxies

This information circular – proxy statement (the "Information Circular") is furnished in connection with the solicitation of proxies by or on behalf of our management for use at the annual general and special meeting of our shareholders (the "**Meeting**") to be held at the office of Burnet, Duckworth & Palmer LLP, Suite 2400, 525 – 8th Avenue S.W., Calgary, Alberta, Canada on Wednesday, June 21, 2017 at 9:00 am (Calgary time), and any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General and Special Meeting. Only shareholders of record on May 19, 2017 are entitled to notice of, and to attend and vote at, the Meeting, unless a shareholder has transferred any common shares ("**Common Shares**") in the capital of Georox Resources Inc. ("**Georox**" or the "**Corporation**") subsequent to that date and the transferee shareholder, not later than ten (10) days before the Meeting, establishes ownership of the shares and demands that the transferee's name be included on the list of shareholders.

Unless otherwise stated, the information in this Information Circular is given at May 23, 2017.

The instrument appointing a proxy must be in writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

The persons named in the enclosed form of proxy are our officers. **As a shareholder submitting a proxy you have the right to appoint a person (who need not be a shareholder) to represent you at the Meeting other than the person or persons designated in the form of proxy furnished by us. To exercise this right you should insert the name of the desired representative in the blank space provided in the form of proxy and strike out the other names or submit another appropriate proxy.** In order to be effective, the proxy must be deposited with Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 (Attention: Proxy Department), not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to you if you do not hold your Common Shares in your own name. Only proxies deposited by shareholders whose names appear on our records as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in your account statement provided by your broker, then in almost all cases those Common Shares will not be registered in your name on our records. Such Common Shares will likely be registered under the name of your broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the registration name for CDS Clearing and Depository Securities Inc., which acts as nominee for many Canadian brokerage firms. Common Shares held by your broker or their nominee can only be voted upon your instructions. Without specific instructions, your broker or its nominee is prohibited from voting your shares.

Applicable regulatory policy requires your broker to seek voting instructions from you in advance of the Meeting. Every broker has its own mailing procedures and provides its own return instructions, which you should carefully follow in order to ensure that your shares are voted at the Meeting. Often, the form of proxy supplied by your broker is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining the registered instructions from clients to Broadridge Financial Solutions, Inc. or another intermediary. If you receive a voting instruction form from Broadridge Financial Solutions, Inc. or another intermediary it cannot be used as a proxy to vote shares directly at the Meeting as the

proxy must be returned (or otherwise reported as provided in the voting instruction form) as described in the voting instruction form well in advance of the Meeting in order to have the shares voted.

Although you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of the broker), you may attend the Meeting as proxyholder for the registered shareholder and vote Common Shares in that capacity. If you wish to attend the Meeting and indirectly vote your Common Shares as proxyholder for the registered shareholder, you should enter your own name in the blank space on the form of proxy provided to you and return the same to your broker (or the broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Revocability of Proxy

You may revoke your proxy at any time prior to the Meeting. If you or the person to whom you give your proxy attends personally at the Meeting you or such person may revoke the proxy and you may vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation. To be effective the instrument in writing must be deposited at our head office at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

Persons Making the Solicitation

This solicitation is made on behalf of our management. We will bear the costs incurred in the preparation and mailing of the form of proxy, notice of annual general and special meeting and this Information Circular. In addition to mailing forms of proxy, proxies may be solicited by personal interviews, or by other means of communication, by our directors, officers and employees who will not be remunerated therefor.

Exercise of Discretion by Proxy

The Common Shares represented by proxy in favour of management nominees will be voted on any poll at the Meeting. Where you specify a choice with respect to any matter to be acted upon the Common Shares will be voted on any ballot in accordance with the specification so made. **If you do not provide instructions your Common Shares will be voted in favour of the matters to be acted upon as set out herein.** The persons appointed under the form of proxy which we have furnished are conferred with discretionary authority with respect to amendments or variations of those matters specified in the form of proxy and notice of annual general and special meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof. At the time of printing this Information Circular, we know of no such amendment, variation or other matter.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

We are authorized to issue an unlimited number of Common Shares without nominal or par value which may be issued for such consideration as may be determined by resolution of our board of directors (the "**Board**"). As at May 23, 2017, there were 22,973,895 Common Shares issued and outstanding. As a holder of Common Shares, you are entitled to one vote for each Common Share you own.

The Board has set the Record Date for the Meeting as May 19, 2017.

To the knowledge of our directors and officers, as at May 23, 2017, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the votes attached to all of the issued and outstanding Common Shares, other than as follows:

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

To the knowledge of our executive officers and directors, other than as disclosed below, no proposed directors is, or has been in the last ten (10) years, a director, chief executive officer or chief financial officer of an issuer (including the Corporation) that, (a) while that person was acting in that capacity, was the subject of a cease trading order or similar order or an order that denied the issuer access to any exemptions under securities legislation, for a period of more than thirty (30) consecutive days; or (b) was subject to, after that person ceased to be a director, chief executive officer or chief financial officer, the issuer

being the subject of a cease trade or similar order or an order that denied the issuer access to any exemption under securities legislation, for a period of more than thirty (30) consecutive days, and which resulted from an event that occurred while that person was acting in the capacity as a director, chief executive officer or chief financial officer.

In addition, except as disclosed herein, no proposed director of the Corporation is, or within the ten (10) years prior to the date of this Information Circular has been, a director, chief executive officer or chief financial officer of any other issuer (including the Corporation) that: (a) was declared bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that person; or (b) was a director or executive officer of a corporation (including the Corporation) that while that person was acting in that capacity or within a year of the person ceasing to act as a director or officer of the corporation became bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Further, no proposed director or any personal holding companies of a proposed director of the Corporation has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director of the Corporation.

In the year ended December 31, 2008, due to the Corporation's delay in filing its 2007 annual consolidated financial statements and related management discussion and analysis (collectively, the "**Annual Financial Statements**") by April 29, 2008 for the reasons noted in its April 30, 2008 news release, the Corporation voluntarily requested and received notice from the British Columbia Securities Commission and the Alberta Securities Commission that the insiders of the Corporation, which included all of its directors and executive officers (including three (3) of the proposed directors to be elected to the Board at the Meeting: Messrs. Franz and Fridhandler and Ms. McVean), would be subject to a Management Cease Trade Order ("**MCTO**") in accordance with CSA Notice 57-301. The Corporation filed the Annual Financial Statements on June 10, 2008 and the MCTO was removed.

Mr. Fridhandler was a director and officer of Palliser Oil & Gas Corp., a reporting issuer listed on the TSX Venture Exchange (the "**TSXV**"), which was placed into receivership on February 12, 2015.

Mr. Anjum was an officer and director of Pyramid Petroleum Inc. ("**Pyramid**"). Pyramid's audit for the year ended December 31, 2008 was delayed, which resulted in a trading halt. Following a significant delay in completing the audit, Pyramid was delisted from the TSXV. As a result of the delisting, the TSXV conducted a review of the circumstances resulting in the delay of the audit and the resignation of the auditors, along with a review of the role of directors and officers in the matter.

Appointment of Auditor

Unless otherwise directed, it is management's intention to vote proxies in favour of the appointment of MNP LLP of Calgary, Alberta to serve as the Corporation's auditor until the next annual general meeting of the shareholders and to authorize the directors to fix its remuneration as such. At the Meeting, shareholders will be asked to consider and, if thought fit, approve an ordinary resolution to reappoint MNP LLP of Calgary, Alberta to act as the Corporation's auditor until the next annual general meeting of the shareholders and to authorize our directors to fix its remuneration as such. MNP LLP has been the Corporation's auditor since February 16, 2012.

Approval of Stock Option Plan

Pursuant to TSXV Policy 4.4 (the "**Option Policy**") the Corporation is permitted to maintain a "rolling" stock option plan (the "**Stock Option Plan**") reserving a maximum of 10% of the issued and outstanding Common Shares for issuance pursuant to stock options ("**Options**"). In accordance with the Option Policy, rolling option plans must receive shareholder approval yearly at the Corporation's annual meeting.

Shareholders will therefore be asked at the Meeting to consider and, if thought advisable, to ratify and approve the existing Stock Option Plan (the "**Option Plan Resolution**"). The Stock Option Plan was last approved by the shareholders of the Corporation on May 27, 2016. The Corporation currently has 1,200,000 outstanding Options to purchase Common Shares, at an average exercise price of \$0.14 per Common Share.

The Stock Option Plan provides for the granting of Options to purchase Common Shares of the Corporation to "service providers" of the Corporation, which includes directors, officers, employees, consultants and investor relations employees of the Corporation (as permitted by applicable law). The Stock Option Plan is administered by the Board or, if so approved by the Board, a committee thereof. Options may be granted at the discretion the Board, in such number that may be determined at the time of grant, subject to the limits set out in the Stock Option Plan. The number of Common Shares issuable upon exercise of the Options granted under the Stock Option Plan is not more than 10% of the number of Common Shares that are issued and outstanding at the time of grant.

The exercise price of Options granted under the Stock Option Plan will be fixed by the Board, provided that such exercise price must be equal to the market price, currently being the closing price of the Common Shares on the day preceding the date of grant of the Common Shares, or such other prices as may be determined under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including TSXV policies. The Stock Option Plan also permits the exercise price to be the market price less any discounts from the market price allowed by the TSXV, subject to a minimum price of \$0.05 and TSXV approval. The Options granted under the Stock Option Plan generally will vest over a period of eighteen (18) months.

The foregoing summary is subject to the specific provisions of the Stock Option Plan, which is attached as Schedule "A" to this Information Circular.

Accordingly, at the Meeting, shareholders will be asked to consider and, if thought fit, approve an ordinary resolution in the following form:

"BE IT RESOLVED as an ordinary resolution of the shareholders of the Georox Resources Inc. (the "Corporation") that:

1. the stock option plan (the "**Stock Option Plan**") of the Corporation, on the terms described in the accompanying management proxy circular of the Corporation dated May 23, 2017 and in the form attached as Schedule "A" thereto, be and the same is hereby ratified, confirmed and approved;
2. any one director or officer of the Corporation be and is hereby authorized and directed to do all things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution; and
3. notwithstanding that this resolution has been passed by the shareholders of the Corporation, the adoption of the proposed share option plan of the Corporation is conditional upon receipt of final approval from the TSX Venture Exchange."

Unless a shareholder indicates otherwise, the voting rights attached to the Common Shares represented by the proxy given to our management will be voted IN FAVOUR of the Option Plan Resolution.

Name Change

Shareholders at the Meeting will be asked to consider, and, if thought advisable, [to change the name of the Corporation to "**Westland Energy Inc.**,"] to give the Board the authority to effect a change of the name of the Corporation to such name as the Board may approve, with the final decision whether to proceed with the name change to be determined by the Board, in its discretion, if at all, prior the next annual general shareholders meeting (the "**Name Change Resolution**"). If shareholders approve this special resolution, the Board will have the authority, but not the obligation, in its sole discretion and without further action on the part of the shareholders, to effect the name change by filing an amendment to the articles of incorporation pursuant to the *Canada Business Corporations Act* (the "**CBCA**").

Management has proposed the Name Change Resolution in order to indicate the Corporation's focus on energy resources. The effective date of the name change, if it proceeds, will be the date of issuance of a certificate of amendment by the Registrar of Corporations under the CBCA. The Corporation is not planning to forward letters of transmittal to shareholders for their use in transmitting existing share certificates in exchange for new share certificates giving effect to the name change. Instead, in the event that the name change proceeds and articles of amendment are filed to give effect thereto, each existing share certificate reflecting the current name of the Corporation shall continue to be a valid share certificate of the Corporation until such certificate is transferred, re-registered or otherwise exchanged.

At the Meeting, shareholders will be asked to consider and, if thought fit, approve a special resolution in the following form:

"BE IT RESOLVED as a special resolution of the shareholders of the Georox Resources Inc. (the "**Corporation**") that:

1. the Corporation be and is hereby authorized, pursuant to section 173(1)(a) of the *Canada Business Corporations Act* (the "**CBCA**"), to amend the Corporation's articles of incorporation, to change the name of the Corporation to such name as the board of directors of the Corporation (the "**Board**") may approve, if and when the Board shall deem it appropriate to do so, but in any event such authorization shall be valid only until the next annual meeting of the shareholders of the Corporation;
2. any director or officer of the Corporation be and hereby is, authorized and empowered, acting for, in the name of and on behalf of the Corporation, to do all things and execute all instruments necessary or desirable to give effect to this special resolution including, without limitation, to execute, under seal of the Corporation or otherwise, and to file articles of amendment pursuant to the CBCA; and
3. notwithstanding that this special resolution has been duly passed by the shareholders of the Corporation, the Board is hereby authorized and empowered to revoke this special resolution at any time prior to the issuance of a certificate of amendment giving effect to the amendment to the Corporation's articles of incorporation and to determine not to proceed with the name change without the further approval of or notice to the shareholders of the Corporation."

Unless a shareholder indicates otherwise, the voting rights attached to the Common Shares represented by the proxy given to our management will be voted IN FAVOUR of this Name Change Resolution.

In order to be effected, this Name Change Resolution must be approved by two-thirds (2/3) of the votes cast at the Meeting in person or by proxy.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive and Employee Compensation Objectives and Principles

The Board recognizes that Georox's success depends greatly on its ability to attract, retain and motivate superior performing employees at all levels, which can only occur if Georox has an appropriately structured and executed compensation program. The principal objectives of Georox's executive compensation program are as follows:

- (a) to attract and retain qualified executive officers;
- (b) to have compensation competitive within the Corporation's peer marketplace;
- (c) to align the executives' interests with those of the shareholders; and
- (d) to reward both demonstration of leadership and performance.

Our compensation policies are currently founded on the principal that executive and employee compensation should be consistent with shareholders' interests. The objectives of the program are to attract and retain a high quality management and employee team.

Components of the Executive Compensation Program

Our compensation program consists of the following elements:

- base salary; and
- long term incentive compensation – the Stock Option Plan.

Base salary ranges for executive officers were initially determined upon review of companies within the resource industry, which were the same size as Georox, at the same stage of development as the Corporation and considered to be comparable to Georox. The Board determined that the compensation to be paid to the Chief Executive Officer and the Chief Financial Officer (each a "**Named Executive Officer**" or "**NEO**" and collectively, the "**Named Executive Officers**" or "**NEOs**") for the period between January 1, 2016 and December 31, 2016 would be awarded according to the Board's review and consideration of several factors, each of which is outlined in detail below.

The Corporation's compensation program is designed to reward the time committed to the business of the Corporation by each Named Executive Officer. The Board retains the responsibility for reviewing matters relating to the human resource policies and compensation of the directors and officers in the context of the budget and business plan of Georox. The Board evaluated and approved the compensation paid to the Chief Executive Officer and President for the fiscal year ended December 31, 2016 pursuant to an employment contract between the Corporation and the President and Chief Executive Officer, which was approved by the Board. Such base annual compensation was determined taking into consideration the time expected to be committed by the respective officer to the business of the Corporation.

The performance goals of the Corporation for 2016 were to acquire, explore and develop oil producing properties and to ensure the long term growth of shareholder value.

Georox does not benchmark its compensation with that of any other corporations. The Board believes compensation is normal for the roles undertaken by the most senior officers of the Corporation and in line with the current size and development of the Corporation.

NEOs are not permitted to purchase any financial instrument that is designed to hedge or offset a decrease in market value of the Common Shares. However, the Corporation does not have any written policies which prohibit a NEO or director from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

The Board does not specifically consider the implications of the risks associated with the Corporation's compensation policies and practices. The Board does exercise regular oversight of internal decisions made by the NEOs and other officers of the Corporation and does exercise oversight of risks arising from the Corporation's compensation policies and practices that are likely to have a material adverse effect on the Corporation. The ownership of securities of the Corporation by the Chief Executive Officer and Chief Financial Officer also serves to align the interests of those persons with the other shareholders of the Corporation and mitigates any excessive risks that may be taken by the NEOs.

A description of the criteria used in each element of compensation is set forth below.

Base Salaries

Base salary for Burkhard Franz, the current President and Chief Executive Officer of Georox, was established by the Board pursuant to Mr. Franz's employment agreement at \$5,000 per month and is believed by the Board to be reasonable for the year ended December 31, 2016. Consideration was given to the time committed to the business of the Corporation, the Corporation's stage of development, and the prevailing business climate at the time with respect to industry demand for experienced personnel. Mr. Franz has surrendered \$24,000 of salary for year 2016.

Savi Franz, the current Chief Financial Officer of Georox, receives her compensation pursuant to a set monthly fee and does not have a written employment contract with the Corporation. Mrs. Franz received monthly payments during 2016 of \$7,000 per month. Mrs. Franz received an aggregate of \$83,000 from the Corporation during the year ended December 31, 2016.

Stock Options

Long-term incentives are granted in order to attract and retain high quality executives in a competitive market environment. These incentives are provided in the form of Options. The Stock Option Plan is administered by the Board. Options may be granted at the discretion of the Board, in such number that may be determined at the time of grant, subject to the limits set out in the Stock Option Plan. See "*Approval of Stock Option Plan*" above for a summary of the terms of the Stock Option Plan. When granting Options, the Board considers company and individual performance as well as the mix of all elements of the executive's compensation.

Option-Based Awards

The Stock Option Plan provides for the granting of Options to purchase Common Shares of the Corporation to "service providers" of the Corporation, which includes directors, officers, employees, consultants and investor relations employees of the Corporation (as permitted by applicable law). The Stock Option Plan is administered by the Board. Options may be granted at the discretion of such committee, in such number that may be determined at the time of grant, subject to the limits set out in the Stock Option Plan. The grant of Options is considered by the Board as a whole, taking into account company and individual performance, previous Options that have been granted and general market conditions. For a summary of the terms of our Stock Option Plan, see "*Approval of Stock Option Plan*" above.

The Corporation prices the Options granted to the optionee based on the price of the Common Shares at the close of the market the day prior to the grant.*

Termination and Change of Control Benefits

As at December 31, 2016, Georox had only one employment agreement (the "**Employment Agreement**") in place with an officer of the Corporation. Mr. Franz entered into the Employment Agreement with the Corporation, which provides that a Change in Control (as such term is defined in the Employment Agreement) occurs and if, in respect of Mr. Franz, a Triggering Event (as defined below) occurs on or before the expiry of the Employment Contract, Mr. Franz shall be entitled to elect to terminate his employment with the Corporation and to receive payment (the "**Severance Payment**") from the Corporation in an amount equal to the greater of:

- (a) the remaining base compensation due to Mr. Franz for the remaining term of the Employment Agreement; or
- (b) \$120,000,

payable in cash or Common Shares, in whole or in part, at the election of Mr. Franz, and subject to requisite regulatory approvals. If Mr. Franz elects to take Common Shares, such Common Shares shall be valued at the weighted average closing price of the Common Shares for the five (5) trading days preceding the election by Mr. Franz. The right of Mr. Franz provided for above is conditional upon Mr. Franz electing to exercise such right by notice given to the Corporation within six (6) months after the Triggering Event.

If a Change in Control occurs and Mr. Franz has not received notice of the termination of his employment with the Corporation or a Triggering Event has not otherwise occurred, then, during the six (6) month period after the Change of

Control, Mr. Franz may, notwithstanding the absence of a Triggering Event, give notice to the Corporation of his intention to terminate his employment with the Corporation. If such notice is given by Mr. Franz, the termination of his employment will become effective on a date indicated in the notice, but in any event not later than one-hundred and twenty (120) days following the giving of such notice. In such case Mr. Franz shall be entitled to a payment from the Corporation as to 75% of the Severance Payment.

"**Triggering Event**" means anyone of the following events which occurs following a Change of Control without the express agreement in writing of Mr. Franz:

- (a) an adverse change in any of the duties, powers, rights, discretion or compensation of Mr. Franz as they exist immediately prior to the Change of Control; or
- (b) change in the person or body to whom Mr. Franz reported immediately prior to the Change of Control provided that this shall not include a change resulting from a promotion in the normal course of business.

Mr. Franz shall also be entitled to receive the Severance Payment from the Corporation if his employment is terminated by the Corporation. If a Triggering Event occurs, Mr Franz would receive \$90,000 in cash or the same value in Common Shares at the weighted average closing prices at five (5) days trading preceding the Triggering Event.

Pension Plans and Retiring Allowances

The Corporation does not currently provide its executive officers, including the Chief Executive Officer and Chief Financial Officer, with pension plan benefits or retiring allowances.

Director Compensation

Summary Compensation

Effective January 1, 2014, the Corporation established a compensation program for non-management directors. All payments of fees to directors are to be made in DSUs (as defined below). Directors who are employees of the Corporation do not receive retainers or fees with respect to Board matters.

Each non-management director is paid an annual retainer of \$5,000. For each meeting of the Board, a fee of \$500 is paid to each director who attended and a fee of \$250 will be paid for each committee meeting and Board conference call a director attends. In addition, the Board Chairman is paid an additional \$2,500 annual retainer and each Committee Chairman is paid a \$2,500 annual retainer. The directors are reimbursed for their reasonable expenses in connection with all meetings.

In the event the Board and Committee retainers are not settled with DSUs, fees are to be paid quarterly, in arrears, and are pro rated for partial service, if appropriate. For the fiscal year 2016, directors, other than Mr. Fazil, waived fees.

Directors are also eligible to participate in the Option Plan.

Deferred Share Units

A Deferred Share Unit Plan ("**Plan**") was approved as an alternative form of compensation for outside directors. Under the plan, directors can receive their retainer and meeting fees as deferred share units ("**DSUs**"). The number of DSUs issued to directors will be equal to the director's retainer and fees for the period divided by the current market price of the Common Shares on the day prior to the last day of the applicable quarter. A DSU is a bookkeeping entry that tracks the value of one Common Share. DSUs are settled by a cash payment when the director leaves the Board, providing an ongoing alignment of interests between directors and the shareholders of the Corporation during the director's term of service. The cash payment equals the number of DSUs held by the director multiplied by the current market price of the Common Shares on the date of redemption.

Under the terms of the DSU Plan, DSUs awarded will vest immediately upon grant and will not be subject to satisfaction of any requirements as to any minimum period of membership on the Board. No amount will be paid to a director under the

DSU Plan or any other arrangement, and no additional DSUs will be granted to a director to compensate for a downward fluctuation in the market value of the Common Shares. In the event cash dividends are paid to holders of Common Shares, additional DSUs will be granted to holders of DSUs in numbers calculated by dividing the dividends that would have been paid if the DSUs granted as at the record date for the dividend had been Common Shares by the current market price for Common Shares on the trading day immediately prior to the date of payment. The Board may, in its sole discretion, terminate or modify the percentage of fees to be awarded as DSUs to a director, in which case the director would receive all or a portion of the retainer and fee compensation in cash.

Directors' Summary Compensation Table

During the fiscal year ended December 31, 2016, the Corporation did not pay any cash compensation to non-management directors, nor were directors paid for attendance at Board or committee meetings. The following table sets forth for each non-management director all amounts of compensation provided to non-management directors for the year ended December 31, 2016:

Notes:

- (1) *DSUs paid in lieu of cash remuneration for retainer and meeting fees (No DSUs were awarded in 2016 except 75,578 DSUs to Mr. Fazil. The value of a DSU when redeemed for cash is equivalent to the market value of a Common Share. The total value of vested DSUs is therefore calculated based on the closing price of the common shares (\$0.045) on December 30, 2016, being the last trading day of the fiscal year ended December 31, 2016.*
- (2) *Based on the fair value of the Options granted under the Stock Option Plan. CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") requires that if management of an issuer solicits proxies from its shareholders for the purpose of electing directors certain prescribed disclosure respecting corporate governance matters be included in its management information circular. The TSXV also requires listed companies to provide, on an annual basis, the corporate governance disclosure which is prescribed by NI 58-101.

The prescribed corporate governance disclosure for the Corporation is that contained in Form 58-101F2 which is attached to NI 58-101 ("**Form 58-101F2 Disclosure**").

Set out below is a description of the current corporate governance practices, relative to the Form 58-101F2 Disclosure (which is set out below in italics).

1. Board of Directors

Disclose how the board of directors (the board) facilitates its exercise of independent supervision over management, including:

- (i) *the identity of directors that are independent; and*
- (ii) *the identity of directors who are not independent, and the basis for that determination.*

The Board has determined that the following three (3) directors of the Corporation are independent:

Daryl S. Fridhandler

Lorraine McVean

Mansoor Anjum

With respect to Mr. Fridhandler, it was noted that the law firm of which he is a partner provides legal services to the Corporation. However, the Board determined that he is independent of the Corporation after considering such matters as the magnitude of his personal equity holdings in the Corporation and the annual billings of his law firm to the Corporation.

The Board has determined that Mr. Burkhard Franz, is not independent, as Mr. Franz is President and Chief Executive Officer of Georox and Mr. Mansoor Anjum, was not independent until he resigned as an officer on April 30, 2017.

The Board facilitates its exercise of independent supervision over management by ensuring that a majority of directors qualify as independent directors pursuant to NI 58-101 and by establishing committees, which are comprised of a majority of independent members.

2. Directorships

If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

No directors of the Corporation are presently directors of other issuers that are reporting issuers (or the equivalent).

3. Orientation and Continuing Education

Describe what steps, if any, the board takes to orient new board members, and describe any measures the board takes to provide continuing education for directors.

Due to the size of the Board, no formal program exists for the orientation of new directors. Upon joining the Board, new directors are given access to all of the background documents of the Corporation, including all corporate records, by-laws, corporate policies, organization structure and prior Board and Committee minutes.

No formal continuing education program exists for the directors. As part of continuing education, the Board will receive management presentations with respect to the operations and risks of the Corporation's business as needed. In addition, the individual directors identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings.

4. Ethical Business Conduct

Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct.

The Board has adopted a Code of Business Conduct and Ethics applicable to the directors, officers and employees. A copy of the Code of Business Conduct and Ethics is available for review on SEDAR at www.sedar.com or on the Corporation's website at www.georoxresources.com.

5. Nomination of Directors

Disclose what steps, if any, are taken to identify new candidates for board nominations, including:

- (i) *who identifies new candidates; and*
- (ii) *the process of identifying new candidates.*

The Board does not presently have a nominating committee. The responsibility to recommend members of the Board that are suitable candidates as nominees for election or appointment as directors rests with individual Board members. The Board, as a group, canvasses all of the members of the Board for their input prior to making a recommendation to the Board. In identifying new candidates for Board nomination, the Board considers, among other things:

- (i) the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess;
- (ii) the competencies and skills that the Board considers each existing director to possess;
- (iii) the competencies and skills each new nominee will bring to the boardroom; and
- (iv) whether or not each new nominee can devote sufficient time and resources to his or her duties as a member of the Board.

6. Compensation

Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

- (i) *who determines compensation; and*
- (ii) *the process of determining compensation.*

The Board retains the responsibility for reviewing matters relating to the human resource policies and compensation of the directors and officers of the Corporation in the context of the budget and business plan of Georox. During the fiscal year ended December 31, 2016, the Corporation did not pay any cash compensation to the non-management directors, nor were the directors paid for attendance at Board or Committee meetings. The Board considered and approved the compensation paid to the officers of the Corporation, as set forth under the heading "*Executive Compensation*". Such base annual compensation was determined upon review of a number of comparable companies within the resource industries of competitive salaries paid to executive officers of the Corporation and the time expected to be committed by the respective officer.

7. Other Board Committees

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The Board has not created any other standing committees and does not have a compensation and nominating committee, such responsibilities being handled by the full Board.

8. Assessments

Disclose what steps, if any, that the board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

To date, the Board has satisfied itself that the Board, its committees and individual directors are performing effectively through informal discussions.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors, proposed nominees for election as directors, executive officers, employees or former executive officers, directors or employees of the Corporation or its subsidiaries, or any associate of any such director, proposed nominee for director, executive officer or employee is, or has been at any time since the beginning of the most recently completed financial year, indebted to the Corporation or any of its subsidiaries in respect of any indebtedness that is still outstanding, nor, at any time since the beginning of the most recently completed financial year has any indebtedness of any such person been the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries, other than routine indebtedness.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

There were no material interests, direct or indirect, of any Informed Person of the Corporation (as defined in National Instrument 51-102 – *Ongoing Requirements for Issuers and Insiders*) or proposed director or any known associate or affiliate of such persons, in any transaction since the commencement of the last completed financial year or in any proposed transaction that has materially affected or would materially affect the Corporation or any of its subsidiaries, except as disclosed in this Information Circular. Daryl S. Fridhandler, a director of the Corporation, is a partner in the law firm of Burnet, Duckworth & Palmer LLP, which firm receives fees for legal services provided to Georox as disclosed in the notes to the Corporation's audited financial statements for the year ended December 31, 2016.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management of the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer at any time since the beginning of the last financial year, of any proposed nominee for election as a director, or of any associates or affiliates of any of the foregoing persons, in any matter to be acted on at the Meeting other than the election of directors or the appointment of the auditors.

SCHEDULE "A"

GEOROX RESOURCES INC. (the "Corporation")

STOCK OPTION PLAN

1. PURPOSE

The purpose of this stock option plan (the "**Plan**") is to authorize the grant to service providers for Georox Resources Inc. (the "**Corporation**") of options to purchase common shares ("**Shares**") of the Corporation's capital and thus benefit the Corporation by enabling it to attract, retain and motivate service providers by providing them with the opportunity, through share options, to acquire an increased proprietary interest in the Corporation.

2. ADMINISTRATION

The Plan shall be administered by a committee established for such purpose by the board of directors of the Corporation (the "**Committee**"), or in the event the board of directors does not establish the Committee, by the board of directors of the Corporation. Where at any particular time no such committee has been established, references herein to the Committee shall be deemed to be references to the board of directors of the Corporation. Subject to approval of the granting of options by the Committee, the Corporation shall grant options under the Plan ("**Options**").

3. SHARES SUBJECT TO PLAN

Subject to adjustment under the provisions of paragraph 13 hereof, the aggregate number of Shares of the Corporation which may be issued and sold under the Plan will not exceed 10% of the issued and outstanding Shares. The Corporation shall not, upon the exercise of any Option, be required to issue or deliver any Shares prior to (a) the admission of such Shares to listing on any stock exchange on which the Corporation's Shares may then be listed, and (b) the completion of such registration or other qualification of such Shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable. If any Shares cannot be issued to any optionee for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any option exercise price paid to the Corporation shall be returned to the optionee. In the event that an Option is granted under the Plan but is subsequently cancelled or expires without being exercised in full, the Shares which were reserved for issuance pursuant to such Option but not issued shall be available for issuance pursuant to other Options subsequently granted under the Plan.

4. LIMITS WITH RESPECT TO INDIVIDUALS

The total number of Shares which may be reserved for issuance to any one individual under the Plan may exceed 5% of the issued and outstanding Shares (on a non-diluted basis), subject to the total number of Shares which may be reserved for issuance to any one individual in any 12 month period not exceeding 5% of the Shares issued and outstanding (on a non-diluted basis) (the "**Outstanding Issue**") at the date of the grant.

5. ELIGIBILITY

Options shall be granted only to service providers for the Corporation. The term "service provider for the Corporation" means (a) any director, officer or employee of the Corporation or any of its affiliates; (b) any other person or company engaged to provide ongoing consulting, technical, management or other services to the Corporation or any affiliated entity of the Corporation (the "**Consultant**"); and (c) any other person engaged to provide services that promote or reasonably would be expected to promote the purchase or sale of securities of the Corporation (the "**Investor Relations Employee**"). For options granted to employees, Consultants or management company employees, the Corporation shall confirm and represent that such optionee is a *bona fide* employee, Consultant or management company employee, as the case may be. Subject to the foregoing, the Committee shall have full and final authority to determine the persons who are to be granted Options under the Plan and the number of Shares subject to each option.

6. LIMITS WITH RESPECT TO CONSULTANTS AND INVESTOR RELATIONS EMPLOYEES

The maximum number of Shares which may be reserved for issuance to any Consultant in any 12 month period under the Plan, together with previously established or proposed compensation arrangements, shall be 2% of the Shares issued and outstanding at the time of the grant (on a non-diluted basis).

The maximum number of Shares which may be reserved for issuance to Investor Relations Employees in any 12 month period under the plan, together with previously established or proposed compensation arrangements, shall be 2% of the Shares issued and outstanding at the time of the grant (on a non-diluted basis).

7. PRICE

The purchase price (the "**Price**") for the Shares of the Corporation under each Option shall be determined by the Committee on the basis of the market price at the time of granting of each Option, where "market price" shall mean the prior trading day closing price of the Shares of the Corporation on any stock exchange on which the Shares are listed or any other market on which the Shares are quoted, and where there is no such closing price, "market price" shall mean the average of the most recent bid and ask of the Shares of the Corporation on any stock exchange or market on which the Shares are listed or quoted. In the event the Shares are listed on the TSX Venture Exchange, the price may be the market price less any discounts from the market price allowed by the TSX Venture Exchange, subject to a minimum price of \$0.05 and TSX Venture Exchange approval.

8. PERIOD OF OPTION AND RIGHTS TO EXERCISE

Subject to the provisions of this paragraph 8 and paragraphs 9, 10 and 11 below, Options will be exercisable in whole or in part, and from time to time, during the currency thereof. Options shall not be granted for a term exceeding five years. The Shares to be purchased upon each exercise of an Option (the "**Optioned Shares**") shall be paid for in full at the time of such exercise. Except as provided in paragraphs 10, 11 and 12 below, no Option which is held by a service provider may be exercised unless the optionee is then a service provider for the Corporation.

9. VESTING RESTRICTIONS

Options may vest at such times as shall be determined in the discretion of the Committee, provided that

- (a) if the Shares are listed on Tier 2 of the TSX Venture Exchange, and more than 10% of the Corporation's issued Shares are reserved for issuance under the Plan, each Option shall vest no more frequently than equally on a quarterly basis over a period of not less than 18 months from the date of grant, and if the Shares are listed on any other stock exchange, each Option shall be subject to such vesting restrictions as shall be required by such other stock exchange;
- (b) options issued to Investor Relations Employees must vest in stages over not less than 12 months with no more than one-quarter (1/4) of the options vesting in any three month period;

(each of (a) and (b) above a "**Vesting Restriction**").

Provided, however, that subject to specific provisions in any stock option agreement to the contrary, Options shall become fully vested, and each optionee shall be entitled to exercise his or her option in respect of the full number of optioned shares, upon the occurrence of an Acceleration Event. For these purposes, an Acceleration Event means:

- (a) the acquisition by any "offeror" (as defined in Part XX of the Securities Act (Ontario)) of beneficial ownership of more than 50% of the outstanding voting securities of the Corporation, by means of a takeover bid or otherwise; and
